Dear Danny Garcia and Jackie C. Garcia,

With deep respect, we express our sincere gratitude to you and your wife Jackie for your visit to Irpin. It is a great honor for us to host you in our city and to meet you personally, a person who has such a deep life experience, and who inspires good deeds not only in his country but also around the world through his dedication to service, peacekeeping, and spiritual support. Your visit to our city is an important reminder of the sacred values on which true peace and mutual understanding are built.

We are proud that Irpin has the only «Pillar of Peace» in Ukraine, a symbol that unites people in the pursuit of harmony and brotherhood. There are more than 250,000 of them in the world, and it is a special blessing for us to have such an important spiritual symbol of peace in the heart of our city. May this «Pillar of Peace» be a constant reminder to all of us of God's grace and the strength we receive when we work together in unity and love for our neighbors.

Your mission as a priest and former marine is extremely important and inspiring. We are full of hope that we will be able to work together to strengthen peace, support veterans and young people, as well as develop humanitarian and social initiatives. We sincerely look forward to further cooperation in the areas that are most important for our city and our country - in particular, in maintaining the spiritual health of the community, helping those who have gone through difficult trials, and creating opportunities for the growth and development of younger generations. We believe that God will bless these efforts and help us build a future of love, compassion and mutual understanding.

Виконавчий комітет Ірпінської міської ради 01-11/6294 від 15.11.2024 ЯРОШЕНКО ТЕТЯНА ЮРІЇВНА 15.11.2024 10:49 Керуючий справами виконавчого комітету

It is very important for us to express our gratitude to the entire American people for their unlimited support and assistance in these difficult times. Your solidarity and commitment to the principles of justice and peace are of great importance to us. God's blessing, help and support give us the strength to continue our struggle for a brighter future, and we believe that together we can build a better tomorrow for our children and descendants

We appreciate your willingness to stand with us in this difficult time and work towards a better future. Together, with God's help, we can create a world of understanding, peace, support and grace.

We wish you and your family good health and well-being every step of the way. May God's blessings accompany your efforts in praying for peace and harmony in the world.
